

# Ski Pass Order form 2010-11

411 LIM

Most Chalet 1802 guests go for the MBU pass as this covers all the areas in the valley as well as Courmayeur in Italy. For beginners to timid intermediate, or families with young children, a Les Houches pass is probably enough.

With a 4 day Les Houches pass you are entitled to 2 day's break in the middle. If you would either like a few days off during the week, or you think a Les Houches pass will be enough but you would like to try the other areas for a couple of days then this is a good option.
